

Energy Preserved Is Life Preserved

April 10 - April 13

Our 8th annual Green Week is coming up! Green Week will be full of fun and educational activities, contests, and dress-up days for all students! The 8th grade science classes will be displaying their projects at the Energy Fair on Thursday, April 13th from 9:00 until 11:00 in the middle school gym. The 7th grade students will have fun, educational energy stations for all to explore. 4th-7th grade students will have the opportunity to visit the fair. Parents and community members are also welcome to come and observe the students' hard work.
