taken beginning January 17th. Please contact the ES office @
239-2550 ext. #4. between 7:30a.m.-3:00p.m. to make an
appointment.

Kindergarten **Please be sure to bring a certified copy of your child's birth certificate
and 3 proofs of residency (1 needs to be a mortgage statement or rental agreement). This is
required for your child to be registered for kindergarten. Also, if you have current immunization
records and a kindergarten physical, you can bring those at this time.

EC **We encourage all families with preschool age children to bring their children to
screening, regardless of whether or not there is a developmental concern. While this screening is
used to help identify children who may require special assistance or who might need extra testing,
it is also an opportunity for parents to discuss their child's growth and development with the
screening team. The team can also give suggestions for how to best foster the child's learning at
home, activities to support their academic progress, and a plan that will make the transition to
kindergarten as smooth as possible. It also allows the School District to estimate future
enrollment. Parents will be asked to complete some brief paperwork while they wait.
