World Down Syndrome Day

On Tuesday, March 21st, Pecatonica School District will celebrate World Down Syndrome Day by wearing unique and wacky socks! The date for World Down Syndrome Day, being the 21st day of the 3rd month was selected to signify the uniqueness of the triplications (trisomy) of the 21st chromosome which leads to down syndrome. Here is a video to share with your family featuring 3 children with Down's Syndrome and their lives, hopes, challenges and dreams:

[Just Like You– Down Syndrome](#)

**Monetary donations will be accepted at all 3 schools for GiGi's
Playhouse in Machesney Park!**
